

# Tertiary Institution Accreditation Status

The following list identifies by Division all post-secondary institutions recognized and accredited by the Accrediting Association of Seventh-day Adventist Schools, Colleges, and Universities (AAA) along with the year each institution was first accredited and when current accreditation expires. Expiration is always on December 31 of the year identified, and during that same year an accreditation visit will be scheduled. The following definitions apply:

These include diploma teacher training, technical training in building and construction or other professional trades, and non-collegiate hospital-based schools of nursing (c.f. FE 30 15).
- **In Candidacy:** An institution in the process of application for full accreditation. Programs are still recommended for transfer to other accredited institutions. The maximum candidacy term is two years.
- **In Pre-candidacy:** An institution that has met basic criteria for operation and is working towards candidacy status. Programs are not yet recognized for transfer to other accredited institutions. The maximum pre-candidacy term is 5 years.

After a set period, accreditation will either be revoked or reinstated depending on the institutional ability to meet defined conditions. Programs are still recommended for transfer.
